For the first time in memory, President Donald Trump leads Democrat radical Kamala Harris in the Real Clear Politics polling averages leading into Election Day.

Trump wins if the polls are right.

With the latest polling added to help Kamala Harris and Tampon Tim, Trump still leads by 0.1 percent. This is an average from several polls including the fraudulent polls that oversample for Democrats.

Via Eric Daugherty.

Trump hasn't entered an election before where if the polls are right – he wins.
